

KENTUCKY DEPARTMENT OF EDUCATION

STAFF NOTE

Action/Consent Item:

District facility plan amendments: Bullitt and Franklin County Schools

Applicable Statute or Regulation:

702 KAR 1:001

Action Question:

Should the Kentucky Board of Education (KBE) approve the proposed amendments to the current District Facility Plans for the above listed Kentucky school districts? (Hearing reports and plans are attached.)

History/Background:

Existing Policy.

KRS 157.420 - requires that the capital outlay and Facilities Support Program of Kentucky (Building Fund) allotment from the public school funds be used by school districts for capital construction projects defined by the district's long range facility plan (702 KAR 1:001).

KRS 157.620 - requires each school district to establish unmet facility needs (equal the sum of all capital construction priorities from the district facility plan less local available revenue) to participate in the School Facilities Construction Commission (SFCC) Offer of Assistance.

The Kentucky Board of Education (KBE) shall approve all District Facility Plans submitted by the local school district upon recommendation of the Commissioner of Education. The amendment hearing reports are attached.

Staff Recommendation & Rationale:

Staff recommends the KBE approve the proposed amendments to the District Facility Plans for Bullitt and Franklin County Schools. The plans were developed in accordance with 702 KAR 1:001. The Division of Facilities Management staff certify that all requested actions are justified, meet the intent to provide upgraded facilities, and are in accordance with all applicable statutes and regulations.

Impact on Getting to Proficiency:

In Standard 4 of the Standards and Indicators for School Improvement it is noted that the school's physical environment has an impact on student achievement. Research also indicates

that better facilities enhance equity (equal opportunities for all students), attitudes and retention of staff, and parental involvement.

Groups Consulted and Brief Summary of Responses:

A public forum and a local public hearing were held in the three school districts.

Bullitt County

The Local Planning Committee voted 18-0 in favor of the amendment. The board voted 4-1 to approve the amendment. The State Board public hearing was held on May 17, 2006.

Franklin County

The Local Planning Committee voted 13-0 in favor of the amendment. The board voted 5-0 to approve the amendment. The State Board public hearing was held on May 16, 2006.
